

Synopsis
Design and Construction of ANA Commando Battalion
Solicitation Number W917PM-07-R-0040

The U.S. Army Corps of Engineers, Afghanistan District intends to issue a Request for Proposal (RFP) to award a Firm Fixed Price contract for design and construction of force protection for the new Camp Morehead, ANA Commando Battalion site in Kabul, Afghanistan. The project is defined as the final design, material, labor, and equipment to construct fencing, observation towers, ECPs and some infrastructure for the Commando Battalion. The work within this contract shall meet and be constructed in accordance with current U.S. design and building codes, safety and security standards, and applicable local standards.

Camp Morehead is located in a valley between two mountains, near the village of Rish Khvour, on the outskirts of Kabul. The mountain to the north of the site is steep and rocky and the mountain to the south is less so. Several roads and many paths cross through the project site.

The award for this procurement will be made in accordance with the applicable Federal Acquisition Regulations. The applicable NAICS code is 236220. The magnitude of this requirement is between \$1,000,000.00 and \$5,000,000.00. The proposed contract will be awarded using Low Price Technical Acceptable (LTPA) methods. Solicitation Number W917PM-07-R-0040 and will be available on or about January 14, 2007. Point of contact for this procurement is Mamie Anderson, Contract Specialist, US Army Corps of Engineers, Afghanistan District, CEAED-CT, Kabul, Afghanistan, APO-AE 09356 via email Mamie.R.Anderson@tac01.usace.army.mil.
